PROFILE SUMMARY

Well-qualified Full Stack Developer familiar with wide range of programming utilities and languages. Knowledgeable of backend and frontend development requirements. Handles any part of process with ease. Collaborative team player with excellent technical abilities offering 3 years of related experience.

As a web developer, I am passionate about creating user-friendly, scalable web applications with NodeJs backend and React Frontend. From 2019 to 2021, I worked at a startup (Tradezia Global). Currently, I'm focused on helping small businesses and startups build exceptional web applications and solutions. I also enjoy contributing to open-source projects in my spare time.
